### President General Report 2022

It has been a privilege and honor to serve as the President General of such an important Society. I feel so strongly that our ancestors deserve to be remembered for their indentured servitude and perseverance!

We have held meetings through Zoom because of the Covid pandemic. Thankfully now we can get back to some sort of normalcy by having our meeting at the Army Navy Club in DC this April. I am so sorry that I will not be with you because of my husband's Stage IV cancer and Hospice care. I have appreciated your emails, texts, thoughts, and prayers as we go through this journey. I will look forward to seeing you all in 2023.

Thanks to Sumner Hunnewell and Sharon Sowders, we are keeping our Ancestor List up-to-date and on our website. Sharon keeps our contact information current, and we use this for mailing our latest edition of *The Passage*. Make sure if you move or change your information that you let her know! Robin Towns is doing an excellent job of approving new papers and I am so proud that we now have over one hundred members.

I presented our organization during the Sharing Our Societies on the web. The YouTube videos are online if you want to see what I said about us! The private Facebook Group and public Page are both excellent ways to recruit new members and as Administrator I have tried to keep them fresh with articles, resources, and queries. If you have articles that I can post, please send them to me. I try to post about NSDCIS on other lineage Facebook groups, too. I have placed ads for NSDCIS in Georgia state DAR programs for four years. I have given programs on Indentured Servants at various meetings. At your lineage society meetings please promote NSDCIS to anyone who will listen.

I have stayed connected with Director Ms. Pat Taylor at Pemberton Hall in Salisbury, Maryland which is our charitable focus. I am so proud of this Society and appreciate everything all the officers' hard work. They are doing a great job of making sure that our Society is alive and well, and that our indentured servant ancestors are honored. Thank you to all our officers and members!!

February 1, 2022

The Financial Review Committee has examined the records of the Treasurer General of the Descendants of Colonial Indentured Servants. This was a review of the checking account, bank statements and supporting documentation from January 1, 2021 to December 31, 2021. The Committee finds the records to be in good order and their contents to appear reasonable. The material appears to fairly represent the financial position and the income and expenses for the organization.

15 April 2022 Report

I have participated in the business of the executive board via email and cast my vote as appropriate.
